The Automotive Department at Mott Community College prepares students in a hands-on learning service lab. This allows our community to schedule automotive service time for inspection, diagnosis, and repairs for a small fee, plus the cost of any parts that might be installed.

All service is performed by students and inspected by our ASE Certified Instructors.

To schedule an automotive service appointment, please call the automotive office in the Regional Technology Center at 810.762.0575 or email our office at [autotech@mcc.edu](mailto:autotech@mcc.edu).

**\$10 Per Vehicle, Per Day**

**NO HOURLY OR LABOR RATES**
